City of Woodstock Alliance with Gas South Offers Discounts to Residents and Businesses

Special alliance allows Woodstock residents to receive discount of two cents per therm off all of Gas South's standard rates

(Atlanta – February 26, 2010) – The City of Woodstock and Gas South today announced they have formed a strategic marketing alliance that allows Woodstock residents and businesses to receive discounted natural gas rates from Gas South.

With this marketing relationship, residents of Woodstock will be eligible to receive a special discount of two cents per therm off all of Gas South's standard rates for as long as they remain customers, when they either sign up with Gas South or register their existing accounts. Special, customized rates are also available to mid-sized and large commercial customers in the City of Woodstock. Woodstock residents or businesses can sign up or register their existing accounts by calling Gas South at 1-866-563-8129, or by visiting www.gas-south.com/city.

"Gas South is the natural gas provider for the City of Woodstock government and we are pleased to make an offer that is sure to help our residents stretch their energy dollars a bit further," said Woodstock Mayor Donnie Henriques. "Like Gas South, Woodstock strives to provide reliable services and outstanding customer care for our citizens, so this alliance is a very good fit for the city and its residents."

Through the partnership, the City of Woodstock will receive funding from Gas South for each city resident and business that receives natural gas service from Gas South. The mayor and city

council adopted a resolution earmarking these funds specifically for public safety equipment, such as solar-powered cellular phones to be installed along the city's Greenprints trails.

"Even though the City of Woodstock has grown rapidly, it has maintained its small town charm and is a great place to live," said Kevin Greiner, CEO of Gas South. "As a hometown Georgia company, Gas South is proud to partner with the City of Woodstock to offer its citizens and businesses special discounted rates on natural gas service."

The alliance with the City of Woodstock is one of several that Gas South has formed with municipalities and electric membership corporations (EMCs) in Georgia to provide preferred natural gas rates. In addition to Woodstock, Gas South alliance members include the cities of Acworth, College Park, Kennesaw, and Marietta, as well as Central Georgia EMC, Cobb EMC, Greystone Power Corporation, Snapping Shoals EMC, Upson EMC and Washington EMC.

For more information about Gas South, its alliance programs and other available discounts and promotions, visit www.gas-south.com.
