### **Gas South Becomes Official Natural Gas Provider of Stone Mountain Park; Sponsor of Lasershow Spectacular™**

*Gas South customers benefit from new relationship with ticket savings and exclusive sweepstakes*

(Atlanta – June 18, 2009) – Adding to its growing list of high-profile Atlanta-area commercial customers, Gas South is now the official natural gas provider for Stone Mountain Park. In addition to providing natural gas for the 3,200 acre park, Gas South also is now a sponsor of the Lasershow Spectacular, one of Stone Mountain Park's most popular attractions and which recently debuted a newly restored viewing lawn with VIP terraces with reserved seating.

“Stone Mountain Park is not only an iconic American landmark but has been one of the nation's leading destinations for family fun and recreation for decades,” said Kevin Greiner, CEO of Gas South. “As a hometown Georgia company, Gas South is proud to be the official natural gas provider for the park and a sponsor of the legendary lasershow, one of Atlanta's most recognized and family-friendly entertainment events.”

In addition to the park's natural beauty and historic significance, over the past decade Stone Mountain Park has worked to develop additional recreational opportunities and entertainment attractions, including the Sky Hike adventure course and Snow Mountain. This past Memorial Day, it completed work on a year-long, \$4.1 million restoration project for the Memorial Lawn, commonly referred to as the “Laser Lawn.” As part of the restoration, the park opened new Lasershow VIP Terraces with reserved seating which feature an outstanding view of the mountain, its famous carving and the world's longest running lasershow.

“Gas South and Stone Mountain Park are a natural fit given we’re both home-grown Georgia companies, committed to serving our community and providing a good value to customers,” said Sonny Horton, Stone Mountain Park’s vice president of sales and marketing. “Gas South customers benefit from this new alliance with savings on tickets and a chance to win a weekend family getaway at Marriott’s hotel resort right in the park.”

Gas South customers receive a \$3.00 savings on both adult and child Adventure Pass tickets that provide all-day access to many of Stone Mountain Park’s leading attractions, including the Summit Skyride, Scenic Railroad, Adventure Golf and Journey to the Center of the Earth 4D movie, among others.

In addition, Gas South customers can enter to win a family getaway that includes a one night stay at the Stone Mountain Evergreen Marriott Resort and four Adventure Passes. The deadline to enter is July 2 and the getaway can be scheduled any time in 2010. To register, or for more information about ticket discounts, visit: <http://www.gas-south.com/offers>.
