News and Tips for Gas South Customers

SPRING 2010

Dear Gas South Customer:

On behalf of the entire Gas South team, I'd like to thank you for your business. Since beginning operations in 2006, Gas South has focused on earning the trust and loyalty of our customers. We strive everyday to be Georgia's most respected natural gas marketer by providing great rates, clear pricing and outstanding service.

Thanks to customers like you, Gas South has been Georgia's fastest growing natural gas company for two years running. We're committed to providing our customers with the best value for their energy dollar. One example of this is our preferred rates for current customers. Many of our competitors offer their best rates only to new customers and charge existing customers more, but we do things differently at Gas South. **As our customer, you'll automatically receive a 2-cent per therm discount off our published fixed rates each time you renew your fixed rate with us. We're proud to be the only gas company in Georgia that rewards our loyal customers with such a discount.** Plus, natural gas rates continue to remain low – so if you are currently on our variable rate plan, now may be a good time to lock in a low fixed rate.

While saving you money on your natural gas is our number one priority, providing you with exclusive offers and discounts for you and your family to enjoy is also important to us. We've teamed up with valued partners throughout Georgia to bring you special discounts and exciting VIP experiences. Be sure to review the "What's New" section of our newsletter and check our website at www.gas-south.com/offers regularly for updates.

We appreciate and value your business and look forward to continuing to serve you for many years to come. Thanks for being a Gas South customer!

Sincerely,

Kevin Greiner
President & CEO

P.S. We want to hear from you! **If you receive an offer from one of our competitors, please contact us before you decide to switch!** We'd appreciate the opportunity to keep your business. Call us at 1-866-762-6427 or email us at customerservice@gas-south.com.

Save energy. Save money. Take the Governor's Energy Challenge.

Be part of the Governor's Energy Challenge — an initiative to help Georgians conserve energy and track how much we can all save together.

Governor Sonny Perdue committed all state agencies to reduce energy consumption in state facilities 15% below FY2007 levels by 2020. Now he's challenging everyone in Georgia to do the same. Visit www.governorsenergychallenge.org to take the challenge and see how easy it is for everyone in Georgia to save energy, money, and the environment. Use the easy, interactive energy modeling tools to help reduce your energy use by 15% with no-cost, low-cost, and longer-term options. Your pledge will not only help save money on your energy bills, it will help Georgia attain national recognition for our commitment to energy conservation.

Improve your home's energy efficiency and receive rebates and tax credits

Rebates from the State of Georgia and Atlanta Gas Light Company

Georgia residents can earn rebates up to \$1,200 per household by upgrading their existing appliances to new ENERGY STAR® qualified appliances through the State Energy Efficient Appliance Rebate Program. To learn more, visit www.georgiarebate.com. In addition, Atlanta Gas Light is offering rebates up to \$300 on natural gas furnaces and up to \$500 on high efficiency tankless water heaters and conventional tank storage water heaters from April 15th through June 30th. To learn more, visit www.aglc.com.

Tax Credit for Energy Efficiency

Georgia residents can receive federal tax credits for home improvements such as insulation, roofing, windows, water heaters, and HVAC. Tax credits are available for 30% of the cost, up to a maximum of \$1,500. To learn more, visit www.energystar.gov.

Reduce your energy bills and save 20%

Gas South has partnered with Energy Defenders to offer you the opportunity to save on home insulation and windows. For a limited time, Gas South customers will receive **20% OFF** the price of spray foam insulation, fiberglass insulation, radiant barrier or new windows installed by Energy Defenders. CANTINA TAQUERIA & TEQUILA BAR

Gas South is a proud sponsor of the Georgia Restaurant Association and the natural gas provider to hundreds of restaurants. In this issue of The Hot Sheet, we're pleased to feature a Ceviche recipe from Cantina Taqueria & Tequila Bar — a Here To Serve Restaurant. Ceviche — the new "in" food of the century — is actually centuries old originating in Peru. The dish is "cooked" by contact with the acidic juice of citrus juice instead of heat and can be eaten as an appetizer or as a main dish.

Ceviche

- 5 ounces tilapia
- 5 ounces clean and deveined shrimp
- 5 ounces clean, dry sea scallops
- 4 oranges, juiced
- 4 lemons, juiced
- 4 limes, juiced
- 1 red onion, sliced thin
- 2 small chopped tomatoes
- 3 tablespoons chopped fresh cilantro
- 1/2 small habanero
- 1/4 cup Spanish olive oil
- Salt and freshly ground black pepper
- Avocado, for garnish

To prepare, blanch shrimp in boiling water for 6 minutes. Remove from heat and put shrimp on ice bath. Once cooled, cut into small pieces. Cut the scallops into thin slices and the tilapia into medium squares. Combine scallops, shrimp, and tilapia in a bowl and pour the citrus juices over the seafood. Add the onions, tomatoes, cilantro, habanero, olive oil, salt, and pepper. Mix gently to coat. Cover the bowl tightly, refrigerate for 4 hours to "cook".

Cantina Taqueria & Tequila Bar at Terminus is a Here To Serve Restaurant, featuring authentic Mexican cuisine. Cantina offers homemade tortilla chips, salsa and fresh squeezed key lime juice in every margarita. This Piedmont and Peachtree Rd corner has become Buckhead's favorite watering hole!
