## News and Tips for Gas South Customers

Summer 2008

### Dear Valued Gas South Customer,

This summer, many people are feeling the pinch of the cost of gasoline. All energy costs are currently on the rise and unfortunately, natural gas is no different. Many factors are impacting the price of natural gas, including international and domestic demand, weather, and the price of oil.

We recognize how this can put a strain on your budget and want to inform you of what you can do now to manage your natural gas bills this fall and winter.

- **Need help staying within your monthly budget?** Experience the freedom of knowing your gas payment every month. With the Budget Bill Payment Plan, you will enjoy a consistent natural gas payment for up to 12 months, regardless of the fluctuations in natural gas prices and consumption. To learn more about this program, visit [www.gas-south.com/products](http://www.gas-south.com/products) or sign up today by calling 1-866-762-6427.
- **Concerned about natural gas prices going up?** No one can predict what natural gas prices will do — but if you would like the assurance that your price per therm won't change, then our 6 or 12 month fixed rate plans may be right for you. Visit [www.gas-south.com](http://www.gas-south.com) to select a fixed rate or call us at 1-866-762-6427.
- **Waiting for an attractive fixed rate?** Tell us with our Name Your Rate Tool! We will watch the natural gas market for you and notify you via email when your rate becomes available. Visit our website at [www.gas-south.com/tools](http://www.gas-south.com/tools) and select the Name Your Rate icon to learn more.
- **Looking for ways to reduce your natural gas bills?** Take a look at our energy saving tips on the backside of this newsletter. Make small changes, and start saving today.

We recognize that high energy prices impact everyone, and hope that some of the options above help you manage your natural gas costs. Gas South is committed to providing you with competitive rates, clear and simple rate plans, outstanding service, and tools to help you manage your natural gas service. If you have any questions, call us at 1-866-762-6427 or send an e-mail to [customerservice@gas-south.com](mailto:customerservice@gas-south.com). We're here to help and thank you for your continued business.

Sincerely,

Kevin Greiner  
President & CEO

## Energy Saving Tips

Gas South wants to help you reduce your natural gas bills. Below is a short list of energy saving tips. Visit [www.gas-south.com/energysavingtips](http://www.gas-south.com/energysavingtips) for more ways to save.

- Install a programmable thermostat.
- Have your furnace and HVAC professionally inspected once a year.
- Make sure your water heater is set to "normal" or "medium" setting (usually 120 degrees).
- Insulate pipes, walls, attic, crawl spaces, basement, and floors with higher R-value insulation.
- Seal cracks and leaks on doors and windows.
- Only run full loads of laundry and wash in cold or warm water.
- Use your dryer only when you have a full load and keep lint filters clean.
- Keep your fireplace damper closed.
- Clean or replace all air filters quarterly.
- Keep all heating and return vents free of all obstruction for proper air flow.

## Moving Soon? Call Us & Save Money!

Planning a move soon? Let us take one more thing off your check list. Call Gas South at **1-866-762-6427** and let us transfer your natural gas service. It's easy and can save you money!

By continuing your service with Gas South, you can avoid early cancellation fees if you're on a fixed rate plan, and costly deposits and connection fees from other providers. ## Chow Baby Coconut Curry

Gas South is a proud sponsor of the Georgia Restaurant Association and the natural gas provider to hundreds of Georgia restaurants. In this issue of The Hot Sheet, we're pleased to feature Chow Baby Coconut Curry — a mildly spicy curry that goes well with chicken, shrimp, and tofu and is best served with jasmine rice.

- (2) 4 oz. cans massaman curry paste
- 3/4 cup Asian fish sauce
- 3/4 cup sugar
- 2 tbsp. paprika
- (4) 14 oz. cans coconut milk
- 1/2 cup tamarind concentrate
- 1/2 cup creamy peanut butter

In a heavy sauce pot, combine all ingredients except the peanut butter and mix well. Bring the mixture to a low simmer and cook for 10 minutes. Remove from heat and whisk in peanut butter until it is completely melted. Serve hot with stir fried vegetables and the meat or protein of your choice.
